PHILLIPS ACADEMY,

ANDOVER, MASS.

Established 1778.

CECIL F. P. BANCROFT, LL. D., L. H. D., Principal.

The Academy prepares large classes of young men for the colleges, the scientific schools, and in some cases for the professional schools. More than one hundred and twenty-five candidates went to colleges last year.

The Faculty consists of twenty professors and instructors.

The pupils last year numbered five hundred and twenty, nearly one half of whom were from New England, and the others from more distant places.

The next year begins Sept. 11, 1895, and closes June 18, 1896, with vacations at Christmas and at Easter.

The expenses vary from \$250.00 to \$600.00 a year, according to the accommodations selected.

The income of the benevolent funds and scholarship endowments amounts to five thousand dollars a year.

The present urgent needs of the Academy are funds for teaching and for buildings, and for various current uses.

For further information, and for copies of the annual catalogue, address
GEORGE D. PETTEE, B. A., *Registrar.*

ABBOT ACADEMY.

ANDOVER, MASS.

Abbot Academy, founded in 1829, is a seminary for the higher education of young women. It presents extended courses in Latin, Greek, French, German, History, Literature, and Science. It provides the best facilities for Music and Drawing. As the seat of several educational institutions Andover offers many incidental benefits, while its proximity to Boston renders the advantages of that city easily available.

Draper Hall furnishes boarding accommodations for all students of English and German, distinct floors for Music and Art, a well-lighted Reading Room, and the Library. There are suites of two rooms, a parlor and a bed-room, for two persons; large double rooms, and a few single rooms. All who study French live in Smith Hall, where that language is the medium of conversation, except in recreation time. In this hall there are only single rooms.

The College Preparatory Course gives certificate to any College that admits on certificate.

The total expense, for board, including fuel, lights, and washing, and for tuition, except music and drawing, is \$400 per annum.

The sixty-seventh year begins on Thursday, Sept. 19, 1895. Apply for catalogues to W. F. DRAPER. For information or admission to the Principal,

Laura S. Watson, A. M.

WHEATON SEMINARY

FOR YOUNG LADIES.

NORTON, MASS.

The 61st Year begins Sept. 12th, 1895.

Norton is situated on the Providence Division of the Old Colony Railroad, within one hour's ride of Boston and six hours' ride of New York City. The town is pleasant and healthful, and furnishes peculiar advantages for a girls' school. Its quiet and secluded situation affords opportunities for varied out-of-door exercise, and permits greater freedom than would be otherwise possible.

The Seminary Hall contains spacious recitation rooms, cabinets, laboratory, studio, library, and gymnasium, all arranged to secure good light and ventilation. The Home is separate from the Hall; its rooms are well ventilated and attractively furnished. Both buildings are heated by steam. No expense has been spared to secure perfect drainage, and water is pure and abundant.

The limited number of pupils permits that familiar personal intercourse with the teachers upon which the formation of correct habits so largely depends. The school aims to furnish, by its course of study, the best facilities for a full and symmetrical development of mind and character. Since the highest culture must be founded on an earnest faith in the Bible, it is the endeavor of the teachers that a constant and pervasive Christian influence shall be felt throughout the school. Special care is given to the health of pupils.

The regular course of study covers four years. Pupils can enter the Preparatory Department, or join such classes as they are fitted to enter, without pursuing the full course. In all branches the instruction is systematic and thorough, and is accompanied by familiar lectures. It aims to cultivate breadth of thought and accuracy of expression by careful individual training. Appropriations are made for lectures on scientific, historical, and literary subjects. Private lessons in Vocal Music, Drawing, and Elocution are given to advanced and special students; French and German are spoken in the class-room and at table in the dining-room.

The entire annual charge for board (including room, fuel, lights, and washing) and for tuition (except special lessons in Elocution, Music, and Drawing) is \$300.

By arrangement with the Principal or Trustees, the tuition of Daughters of Clergymen and Missionaries may be remitted.

Board of Trustees: A. H. Plumb, D. D., Boston (President); Rev. Jacob Ide, Mansfield (Secretary); Mr. Edwin Barrows, Providence (Treasurer); Mr. Samuel Johnson, Boston; Alexander McGregor, D. D., Pawtucket; Mr. James W. Hervey, New Bedford; Hon. Wm. H. Fox and Rev. S. V. Cole, Taunton; Jas. G. Vose, D. D., Providence.

Webster's International Dictionary

Grand For Ready Reference
In Office, School, or Home.

A College President writes: "For ease with which the eye finds the word sought, for accuracy of definition, for effective methods in indicating pronunciation, for terse yet comprehensive statements of facts, and for practical use as a working dictionary, 'Webster's International' excels any other single volume."

The diacritical marks for indicating the sounds of letters are so plain and intelligible as to be easily understood by old and young. Nearly all schoolbooks use them.

"It is The One Great Standard Authority

... the perfection of dictionaries;" so writes Justice Brewer of the United States Supreme Court, who voices the general sentiment.

The only institution in the South doing exclusively the higher work in academic and industrial education for the colored people.

ATLANTA UNIVERSITY,

ATLANTA, GA.

REV. HORACE BUMSTEAD, D. D., PRESIDENT.

The Institution has 216 students, under 15 officers and teachers, in college, college-preparatory, and normal courses.

Industrial Training is given to boys in wood-working, iron-working, mechanical drawing, printing, and farming; and to girls in printing, cooking, sewing, dress-making, laundry work, nursing the sick, and domestic economy.

The Religious Training given is thoroughly Christian, but strictly unsectarian. An eminent Georgian recently said: "The public school teachers furnished by Atlanta University have not only the education, but also the *character* needed, and they do as good work as is done in the white schools."

The 275 graduates from normal and college courses are spreading their leavening influence through Georgia and surrounding States. More than two thirds are teaching, many being principals of city schools. Hundreds of undergraduates are also teaching every summer. As many as 15,000 children are taught annually by teachers trained in the University.

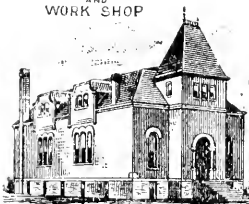

The Property consists of sixty-five acres of land within the corporate limits of Atlanta, four large brick buildings, substantially but very economically built, library of 8,000 volumes, apparatus and industrial equipment. Besides about \$33,000 of invested funds, mostly scholarships, it has no endowment.

An Endowment of at least \$500,000 for current expenses is urgently needed, and until it is secured an appeal must be made for annual scholarships to carry on the work now organized.

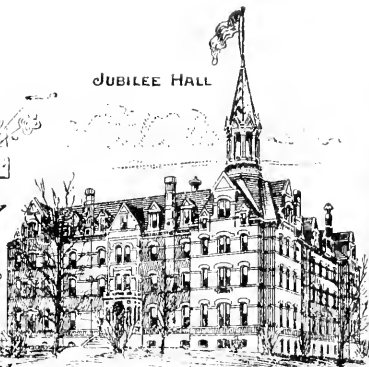

An annual Scholarship of \$40 for each student will cover the cost of tuition over and above the nominal tuition fees paid by the student. Sunday schools, Christian Endeavor Societies, and individuals frequently furnish one or more of these scholarships.

Legacies should be made payable to "The Trustees of the Atlanta University in Atlanta, Ga."

NOTE.

“Every church and every minister upon the rolls of the denomination” is entitled to share in the distribution of the YEAR-BOOK. For this very practical purpose, “the rolls of the denomination” must be assumed to be the tables and list of the YEAR-BOOK, and the claim of any church or minister to receive it, errors excepted, does not arise until such church is found in the YEAR-BOOK’s tables, or such minister’s name is enrolled and printed in its “List of Congregational Ministers” here reported and printed. To purchasers, the price is \$1.00; or, in cloth, \$1.25. Those entitled to receive it who prefer a cloth binding can have it in that form by sending 30 cents to

REV. HENRY A. HAZEN,

CONGREGATIONAL LIBRARY,

BOSTON, MASS.,

to whom all correspondence relating to the YEAR-BOOK should be addressed, NOT to the Publishing Society. It is not safe or sufficient to say “Congregational House” only, as it has many rooms and occupants.

INTRODUCTORY.

The YEAR-BOOK loses this year what it gained last in date of issue. Our friends in New York have not acquired the virtue of promptness, and their returns were seven weeks later than in 1894. Louisiana was received only the day before New York, May 13. Maine has the honor of the first report received, Feb. 6, with New Hampshire following on the next day. Other returns with small gains or losses were received about as last year. If New York had done as well, the YEAR-BOOK might have been ready June 1. We will hope that they will make better time next year. The value of a time limit in securing early reports from the churches has been tested by several secretaries, with good results, and claims the careful consideration of all who have the work to do.

The YEAR-BOOK is larger than ever before; too large for the convenience of such a manual. The five-year statistics and the special Sunday School tables have never before come together. Whether it would be expedient to omit the latter on such years is a question worthy of consideration. It is a pleasant fact that the recorded gain of membership is larger by 3,000, than has ever before been reported; and the same is true of our Sunday School growth. But the continued business depression shows its influence in the still further falling off of benevolent contributions, by more than \$200,000, which is about 15 per cent less than the decrease reported in 1894.

Two new State bodies are reported this year, in Arizona and Idaho. When Kentucky, South Carolina, and Texas give similar evidence of State life and fellowship, and Arkansas puts new life into its State Association, not heard from for many years, our roll of State organizations will be as complete as it is likely to be.

When is a church entitled to enrolment in our lists? Not till it cares enough for our fellowship, to report the prime facts of clerk and membership, which we ask of all churches. Whatever other conditions of recognition and membership in the local Conference of Churches are or are not laid down, this would seem to be called for by a proper self-respect.

The YEAR-BOOK is entitled to more considerate loyalty from many ministers, in order to the completeness and accuracy of its List of Ministers. Every man who has the honor and benefit of a place on this roll owes it to himself, as well as to the body, to see to it that his name and post-office are correctly given. If any change occurs in his position or address, between Jan. 1 and the issue of the YEAR-BOOK, he should notify immediately, both his State secretary and the editor. If he fails to do it, or if he waits a month before doing it, the YEAR-BOOK will probably leave him at the old and wrong place, to the troubling of all who

want to communicate with him. If it were a question of his subscription to his favorite daily or weekly newspaper, he would not let a day pass before the correction was made. Is it any excuse for neglect, that the YEAR-BOOK does not send him a bill? And some men when they do write fail to give the facts. One writes: "I have removed to —," but does not say whether he is minister of the church, or goes to some other position. Another writes: "Send my YEAR-BOOK to —," but does not add whether his post-office is to be changed or not. But these omitted items are just what the editor needs to know.

Special attention is invited to the provisional program of the National Council, given below. The way did not open for this body to meet in San Francisco, but at Syracuse it will find a hearty welcome to the Empire State, and we have reason to anticipate an assembly of special interest and significance.

The recent death of Rev. Robert W. Dale, D. D., of Birmingham, England, Moderator of our International Council in 1891, and fitly recognized as among the foremost Congregationalists of the time, will give peculiar interest to some extracts which follows from his weighty address before that Council.

CONGREGATIONALISM.

Extracts from address before International Council by Robert W. Dale, D. D.

“The churches which we represent have a common polity, and that polity has its roots in the central contexts of the Christian faith. For the theory of Congregationalism rests upon the belief, that in Christ the very life of God has been given to man, and that, when those who have received that life are gathered together in Christ’s name, Christ, who died but is risen again, is in the midst of them.

“The Divine life which God has given us in Christ . . . must be actually lived; it must be a power in character and conduct, or it is not realized. There are some who live it and realize it; there are others who do not. This is one of the ultimate principles of the Congregational polity. It has a place not merely in the historic creed of Congregationalists, it is one of the foundations of the Congregational Church order. I said earlier, in this address, that when we are considering the Divine life in man, we occupy ground common to Christian men of all churches; and yet it is precisely here that we find imperative reasons for our own polity. Indeed I should regard with deep distrust any ecclesiastical or doctrinal peculiarities of Congregationalism, which were not rooted in the common faith of Christendom. The only adequate justification of what is distinct and characteristic in the creed or polity of any particular Christian community is the desire to assert in the most effective form the truths in which all Christian communities agree.

“The Church — this is the Congregational ideal — is a society, larger or smaller, consisting of those who have received the Divine life, and who, with whatever inconstancy and whatever failures, are endeavoring to live in the power of it.

“There is a saintliness of the Bank, of the Exchange, of the Court of Justice, of the newspaper office, and of Parliament, as well as of the cloister; of the laboratory, the painting-room, and the university, as well as of the church; a saintliness of the merchant, the manufacturer, the tradesman, and the mechanic, as well as of the apostle and the preacher; and we shall not discharge our full duty as ministers or churches, unless we make it apparent that, as the great forces of Nature, which are but forms of the eternal power of God, are present and active in every region of the material universe; in phenomena the most splendid and inspiring; in phenomena the most magnificent and obscure — so the Divine life, which dwells in man, is to be present and active in all the infinite varieties of human effort and experience.

“I should like to ask, whether in our relations to the controversies of our times, the Congregational idea of the Church has exerted its proper and adequate influence? We believe that a Church is a society of men, possessing the life of the Eternal Son of God, and having direct access, through Him, in the power of the Spirit, to the Father; of men knowing for themselves, at first hand, the reality and glory of the Christian redemption; of men to whom the truth of the Christian Gospel is authenticated by a most certain experience, not of the individual life merely, but of a Society. Is this consistent with the agitation, the heat, the panic created by the assaults of critics on the historic records of the Jewish and the Christian revelations? We, of all men, should keep calm. These controversies leave untouched the strong guarantees of our faith. For us, every Church is a society of original and independent witnesses to the grace and power of Christ. For us the immediate manifestations of the eternal life that dwells in Christ are found, not merely in the words and deeds and sufferings recorded in the Four Gospels, but in the company of the faithful. We know that Christ is alive from the dead, for he lives in them.”

NOTE. — The limitations of the tables do not in all cases admit exactness. In the table of theological education, students who did not graduate are counted, and without distinction from graduates; but a name occurring in more than one seminary list is not repeated; and in the college lists, a few students who were not alumni are counted with the graduates.

The editor renews his earnest request to friends and to the secretaries of the State bodies for prompt information of the death of Congregational ministers, and for full and exact information on the model of the sketches above given. Obituary and eulogy beyond, it is impossible to use here.

REV. A. N. HITCHCOCK, PH. D., 153 La Salle Street, Chicago, Ill.

The American Board, the oldest Foreign Missionary Society in the United States, was formed at Bradford, Mass., June 29, 1810, and held its first meeting at Farmington, Conn., Sept. 5 of the same year. Its mission fields now occupied are: Mexico; the Hawaiian and Micronesian Islands of the Pacific; Japan; Northern China; Shansi in Northwestern China; Foochow and Canton and vicinity in Southern China; Ceylon; Madura in Southern India; the Marathi field in Western India, including the important centres of Bombay and Ahmednagar; East Central Africa; the Zulus of Southern Africa; West Central Africa; Eastern Turkey, from Mardin to Erzoom, including Bitlis, Van, and the educational centre, Harpoot; Central Turkey, including the important cities of Aintab, Adana, and Marsh; Western Turkey, from Trebizond to Constantinople, including Marsovan, Sivas, Cesarea, Smyrna, Brousa, Nicomedia, and Adabazar; European Turkey, from Constantinople to Samokov in Bulgaria, including Monastir in Macedonia and Philippolis in Bulgaria; Austria, emphasizing the Bohemian work in Prague; and Northern and Northwestern Spain, this work centring in San Sebastian, on the Bay of Biscay.

This wide-extended work embraces direct evangelistic effort through missionaries and native helpers; an immense educational trust, extending from the primary school to the college and theological seminary; Sunday-school instruction; the preparation, publication, and circulation, in different languages, of books, tracts, and newspapers; assistance in the erection of buildings for churches and schools; grants in aid to feeble churches and to native home-missionary societies; the humane service of missionary physicians, sometimes in the care of large dispensaries and hospitals; also charitable ministry, continuous and varied, to the sick, the poor, and the oppressed.

Pastors are urged to present the foreign work to their churches and in so doing to emphasize the breadth and variety of the work, including as it does, every form of Christian service carried on under one administration. This is a worthy appeal for large contributions, proportionate to the prodigious task of reaching the unevangelized millions of other lands.

The Woman's Boards, which co-operate with the American Board, are doing a royal service, not only securing — mainly from the women of the churches — large contributions, but also educating and training children and young people to an intelligent interest in missionary work. These Boards can be addressed at No. 1 Congregational House, Boston, at 59 Dearborn Street, Chicago, and at 1316 Mason Street, San Francisco.

The latest statistics of the American Board report 20 missions, 1,207 stations and out-stations, 571 missionaries and assistant missionaries, 2,870 native laborers, 421 churches, with 41,187 members — 3,055 of these received on confession of faith during the past year, — 144 high schools and seminaries for young men and young women, with 7,841 students and a total of 51,406 children and youth under Christian instruction. The appropriations for 1895 already amount to \$650,000, and the amount urgently called for by the missions for missionaries, churches, and schools, not provided for by the appropriations already made, is many thousands more. Attention is called to the *Missionary Herald*, the *Mission Dayspring*, and *Life and Light*; also to the *American Board Almanac*, and to the CHILDREN'S MORNING STAR MISSION, a special for Sunday schools. Our main instrumental reliance is upon the pastors of churches, themselves full of missionary information and zeal.

STUDENT DEPARTMENT.

(Organized in 1816.)

1. PURPOSE. — To assist worthy students in colleges and theological seminaries who are educating themselves for the Congregational ministry. Few ministerial students come from homes of wealth. The great majority need financial aid while pursuing courses of study. More than 8,000 have found the Society's aid necessary.

2. NUMBER AIDED. — About 330 regulars besides about 50 of foreign birth who are preparing to be home missionaries to their own people in this country.

The Slavic Department of Oberlin Seminary, which has been receiving \$3,000 annually from the Society, has already furnished 15 graduates who are now pastors and missionaries.

3. AMOUNT OF AID. — Each needy and worthy student may receive annual appropriations of \$75 each. Many afterwards refund all they receive.

4. DEMAND FOR MINISTERS. — Annual loss by death about equals the recruits from the seminaries, but for many years the annual net gain in number of churches has been about 125.

The Congregational churches are not producing a supply of ministers equal to their own demand; hence, many are called from *other denominations*.

COLLEGE AND ACADEMY DEPARTMENT.

1. PURPOSE. — To assist in the support of teachers in Home Missionary colleges and academies in the West and South. As pioneers must have the railroads built for them, so for a few years they require some aid in the establishing of institutions of higher and Christian education.

2. NUMBER AIDED. — 8 colleges and 16 academies.

HULL, Iowa.
PUGET SOUND, Washington.
AHTANUM, Washington.
ENDEAVOR, Wisconsin.
So. COLL. INSTITUTE, Illinois.
WARD, South Dakota.

* Deceased.

3. AMOUNT OF AID. — Each college receives from \$1,500 to \$5,000 a year, and each academy from \$500 to \$1,500. The institutions are required to raise the balance of their current expenses on their home field. Aid has been given to 22 colleges that are now strong and prosperous.

4. THEIR IMPORTANCE. — The colleges produce candidates for the ministry, an intelligent and Christian citizenship, and educate the leaders in the thought and life of new States and Territories. The academies are located in new regions unprovided with sufficient educational privileges, prepare teachers for the public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of Home Missionary churches.

NEW WEST DEPARTMENT.

1. PURPOSE. — To support the mission schools and academies in Utah and New Mexico, which were formerly sustained by the New West Education Commission. The Christian teacher must precede the preacher to the Mormon and Spanish populations. Churches grow out of the schools.

2. NUMBER SUPPORTED. — Besides the Salt Lake College in Utah, a Training School at El Paso, five academies, and nine mission schools.

ACADEMIES.

ALBUQUERQUE, New Mexico.
LAS VEGAS, New Mexico.
TRINIDAD, Colorado.

HEBER, Utah.
LEHI, Utah.
ATRISCO, New Mexico.
BARELAS, New Mexico.
SAN RAFAEL, New Mexico.
CUBERO, New Mexico.

3. AMOUNT OF AID. — \$22,000 for the year.

4. RESULTS. — Nine Congregational churches; thousands of youths and children instructed and protected from the baneful influences of Mormonism; the introduction of public schools made possible, and centres of social and patriotic influences established.

5. MORMONISM STILL POWERFUL. — Polygamy has been suspended but not disavowed; the original doctrines are profoundly believed, and the church organization remains unchanged; the missionaries are active at home and abroad, and church schools are being founded in the leading cities and towns.

6. MEXICANS IN THE UNITED STATES. — Several hundred thousand. Very poor, ignorant, and superstitious.

The gifts of those who were loyal and generous supporters of the New West Education Commission are imperatively needed and earnestly solicited for the future maintenance of the schools among the Mormons and Mexicans.

OBJECTS.

To preserve, improve, and promote the best use of the Congregational Library; to care for the Congregational House, remove the incumbrances upon it, and erect, as soon as feasible, a new Congregational House in its place; to further the general interests of Congregationalism.

FINANCES.

The valuation of the Congregational House is \$501,000. The present debt is \$146,000. Amount of reduction in the past financial year, \$7,000. It is highly important to clear off speedily what remains of this debt, especially in view of present and prospective changes in neighboring property. All Congregationalists are interested in securing a worthy Congregational House, to replace the present inadequate structure, and all should co-operate to secure so desirable a result. Contributions for this object should be sent to the Treasurer.

Testamentary gifts could not well be bestowed in a direction more conducive to the permanent prosperity and usefulness of our churches.

THE LIBRARY.

The past year has been an active one in this department. There have been added 890 books, 550 pamphlets, and 1,320 unbound numbers of periodicals, making the total number in the Library as follows: Books, 33,648; pamphlets, 59,133; periodicals, 40,227. Unbound newspapers are not reckoned in this statement, though some of them are very valuable, *e. g.*, the old Boston *News-Letter*, of which there are scores of copies, ranging in date from 1733 to 1774. Besides these are portraits, photographs, autographs, and relics of various kinds.

The more the Congregational Library is visited and studied, the more desirous its friends will become to strengthen its resources in every department. We need here especially

1. *Historical material*; in particular, whatever helps to illustrate the life of the local church: as, its manuals and year-books, the records of its occasional celebrations, and its histories. The history of the town is an adjunct to that of the church. Congregationalists should see to it that our library contains their local history in all its phases.

2. *Biography*, of which we have a good collection, but far smaller than is needed to carry out the idea of our institution. Religious history is embodied in the lives of leading men and women. These should be sent here by friends, that our funds may be kept for other demands.

3. *Money*, to procure the books and pamphlets most directly in the line of our aims. Every year such works are sought here in vain, and every year we see them pass into the hands of more fortunate competitors. Gifts for the special needs of the Library are always welcome, and should be sent to the Librarian.

Counselors. — Messrs. AUSTIN ABBOTT, and GEORGE WILCOX.

Application Committee. — Messrs. WARD, PARTRIDGE, TWITCHELL, and LEWIS.

Members. — Fifty Dollars constitute the giver a Life Member of the Society; Five Dollars an Annual Member.

Objects. — To aid in building neat, tasty, and inexpensive houses of worship and parsonages among all our population, whether of American or foreign origin.

Aim. — To stimulate self-reliance and self-help to the utmost. When that limit has been reached, to offer the cordial good fellowship of all contributors in the form of such supplementary aid as may be absolutely needed.

Forms of Aid. — Two; by grant or loan; sometimes both. Both forms are intended to be temporary aid. In case of a grant, repayments to be made by annual offerings to the work, such as the church would make if it had not been aided. A good number of churches aided by grant have put themselves on the *Roll of Honor* by contributing back every dollar granted them, and some have sent much more.

A *Loan* on a house of worship is offered only to the stronger applicants for aid, — not to struggling Home Missionary churches, — the same to be without interest, the amount loaned to be paid back into this treasury in specified annual instalments.

Parsonage Loans are made to the weaker as well as stronger churches, to be paid back in quarter-yearly instalments, on a scale the easiest for the aided church to handle. This scheme, put in operation in 1882, and so generously pressed by the late Dr. Taylor, has been a great blessing to more than 500 of our homeless pastors.

The *Church Building Quarterly* is issued at the low price of thirty cents a year, and has paid for itself many times over by the interest awakened and contributions it has secured. The number issued could be doubled at comparatively small cost.

The HOME MISSIONARY, a monthly magazine, published by the Society, at sixty cents a year, including postage, gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. The monthly issue is over 30,200 copies. An ANNUAL REPORT sums up the results of the year. Leaflets and Tracts for the times are published as occasion calls, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at the Bible House.

For more than sixty-nine years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and highest usefulness.

In connection with the labor of its missionaries, 6,246 churches^(a) have been organized and 2,873 have come to self-support. It has collected and disbursed in cash, \$16,717,035.78; and in clothing, books, and other supplies, largely the offerings of Christian women, \$2,133,150; in all, \$18,850,186. The additions to the churches have been 446,675.

In 1883. a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of missionaries all over the country, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed.

The number of missionaries employed in its sixty-ninth year (1894-95) was 1,997, 1,518 of them in States and Territories west and south of New York. They preached regularly in 4,104 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 180,813. The additions to the churches were 13,040; 8,693 of them on confession of Christ. Churches organized, 116; reached self-support, 34.

The sixty-ninth year's receipts were, in cash, \$627,699.14; in supplies, \$72,832; in all, \$700,531.14.

At least \$700,000 *in cash* is needed this year properly to sustain the missionaries *now in the field*. To take up only such new work as the providence and Spirit of God manifestly call upon the Society to assume *at once*, \$100,000 more is imperatively required. The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting of the Executive Committee chosen men are called for in new fields at the front, where they are most needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land.

FIELD

Extends from the Atlantic to the Pacific, and from Florida to Alaska. It includes, in the South, the Negroes and the Whites, especially those in the mountains; in the West the Indians; on the Pacific Coast the Chinese, and in Alaska the Eskimos. Through its pupils it is reaching into Africa, China, the West Indian Islands, and Mexico.

AIM AND WORK

Include Christian education, churches and missions, among the poor and friendless of the American people. The Association originated in a general sympathy with the almost friendless slaves. In its work no un-Christian distinctions of race or color are recognized. For thirty years its main efforts have been devoted to the South in the endeavor to educate the freedmen for their duties as Christians and citizens, and in the development of missions and schools on the Christian anti-caste basis among the whites, especially in the vast mountain regions. As closely related to these efforts the Association seeks to convert and educate the caste persecuted Chinese in this country and fit them to become missionaries in their own land, and to extend the blessings of a Christian civilization to the Indians of our country.

Its methods include the school, the church, the mission, the shop, and the farm.

EDUCATIONAL WORK

Includes universities, colleges, academies, normal schools, industrial schools and departments, and primary schools. Among its institutions are the following: Fisk University, Nashville, Tenn.; Straight University, Louisiana; Talladega College, Alabama; Tougaloo University, Mississippi; Tillotson College, Texas; Avery Institute, South Carolina; Le Moyne Institute, Tennessee; Ballard Normal School, Georgia. Mountain Schools: Williamsburg Academy, Kentucky; Grand View Academy, Tennessee; Saluda Seminary, North Carolina; Bending Oaks Academy, Alabama. Indian Schools: Santee Normal and Training School, Nebraska. One hundred and three other Normal, Industrial, Graded, and Primary Schools.

MAGAZINE.

The American Missionary is published monthly, at fifty cents a year: but will be sent gratuitously, *if desired*, to the Missionaries of the Association; to Life Members; to all clergymen who take up collections for the Association; to Superintendents of Sabbath Schools; to college libraries; to Theological Seminaries; to Societies of Inquiry on Missions; and to every donor who does not prefer to take it as a subscriber, and contributes in a year not less than five dollars.

WANTS.

An increase of funds to support missionaries and teachers, build churches and schoolhouses, aid students in course of education, and supplies of every kind for the multitudes of poor and needy. Cash or supplies can be sent to the Treasurer or District Secretaries. Current expenditures require for this year, \$500,000: \$41,000 per month, or over \$1,300 per day.

The receipts from all sources for 1893-94, \$404,779.26. The debt of the Association at the close of the year was \$66,360.97. This must be in addition to the average receipts needed during the present year. Hundreds of students have been turned away from the schools for want of room. More churches and larger forces of educated ministers and teachers are demanded at once in this field.

CHURCH WORK

Is a missionary service almost entirely among the very poor. In the Indian fields, it is having wonderful growth. In the Chinese fields, nearly two hundred pagans have come into the Christian life. In the Southern mountains a number of churches have been added and the interest of the people in the Congregational church life is being rapidly developed. In the Southern lowlands, also, there is a remarkable movement among the colored people towards free and pure churches. Quite a number of independent colored churches have lately come into Congregational fellowship, and the movement shows great promise, especially in the Carolinas and Georgia. The Association has well organized churches in union with our great educational institutions, influential churches in many large towns and cities as well as in the rural regions. There are widespread church missions in the form of evangelistic meetings, Sunday-school and Christian Endeavor services, home visitation, and wayside work. Everywhere the A. M. A. church work stands as a protest against superstition, heathenism, and immorality, and as a witness for a pure gospel of light and liberty.

Money should be sent to the Treasurer of the Trustees of the National Council, Rev. S. B. FORBES, 206 Wethersfield Avenue, Hartford, Conn.

The National Council's Ministerial Relief Fund was started by a bequest of \$10,000. Through the earnest efforts of the Committee and the generous response of a few churches and individuals, it has grown to over \$60,000. It asks one splendid collection from every church, one self-denying offering from every Congregationalist in our land. It seeks fifty individual subscriptions of \$500 each before the Council of 1895. The Trustees of the National Council are the legal corporation to hold and invest the money. The interest is paid out annually in little pensions of \$50 to \$200 to our aged and disabled ministers, especially home and foreign missionaries who have labored where State funds are absent or inadequate, and to their families. Fuller information may be found in the Minutes of the Councils of 1886 and 1892. The Secretary will furnish leaflets and hymn and subscription cards free, and will gladly respond to invitations to address associations, Congregational clubs, and especially churches.

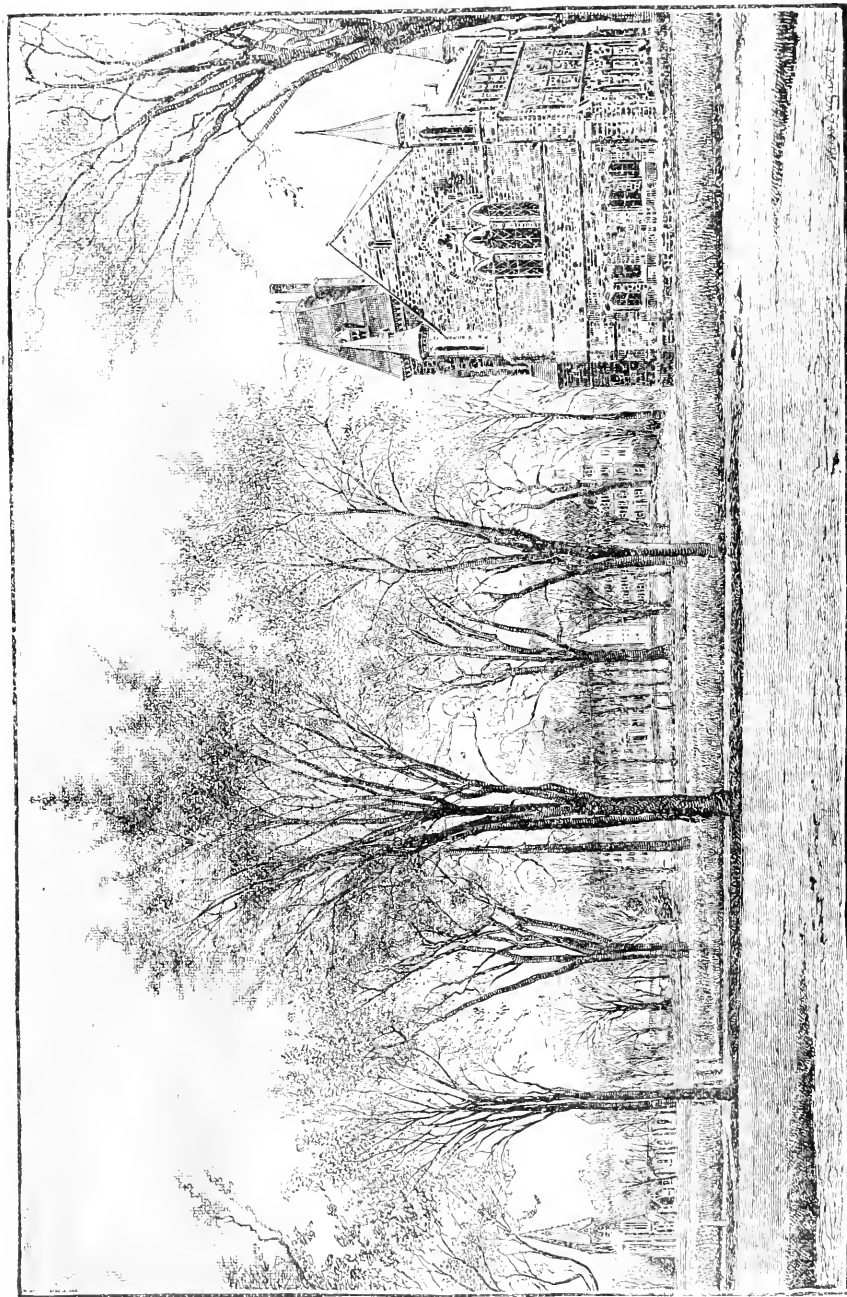

FORM OF A BEQUEST.

I bequeath to the "Trustees of the National Council of the Congregational Churches of the United States" (a body corporate chartered under the laws of the State of Connecticut) [here insert the bequest], to be used for the purpose of Ministerial Relief, as provided in the resolution of the National Council of the Congregational Churches of the United States at its session held in Chicago in October, 1886.

CALENDAR.—The annual period of study is divided into three Sessions by two recesses. The next seminary year begins on Wednesday, Sept. 18, 1895, and ends June 11, 1896. Recesses, Dec. 19-Jan. 2; March 26-30; vacation, June 11-Sept. 16.

COURSE OF STUDY.—This is arranged so as to secure continuity and progress. The Junior Year is devoted to Hebrew, N. T. Greek, Biblical Exegesis and History, Fundamental Theology; the Middle, chiefly to Biblical and Systematic Theology; the Senior, mainly to Sacred Rhetoric, Pastoral Theology, History of Christian Life and Doctrine. Instruction in Elocution (lectures and exercises in vocal culture) is continued through the course. In each year time is reserved for elective work. The elective courses for 1895-96 are: Introduction to the N. T., Ancient History of the East from the Bible and the Monuments, Theology of the Old Testament, Exegesis, History of Religions, the Philosophy of Religion, Sociology, Syriac, Arabic, Assyrian, German, Reading of Shakespeare, Vocal Music.

FOURTH YEAR for advanced study. Each member of the Advanced Class chooses his studies, subject to approval by the Faculty, and receives from the professors in the departments chosen personal direction and assistance. Special facilities are afforded for private reading and research.

LIBRARY AND MUSEUM.—The Library now numbers about 50,000 volumes, is constantly increased, and is open every week-day for the examination and drawing of books. A full reference library has been opened on the ground floor of Brechlin Hall. The Museum comprises objects relating to Missionary life and work, a monumental slab from Nimrôud, a relief model of Jerusalem, and a collection, recently greatly increased, of Palestinian flowers, birds, animals, reptiles, insects, domestic utensils, weapons, coins, rolls, inscriptions, etc., constituting a remarkably large and rich biblical museum in which may be seen a multitude of objects referred to in the Bible.

A well-furnished Gymnasium is open to the use of the students.

LOCATION.—The Seminary was located with a view to the advantages of uninterrupted study. These advantages have been retained, and are accounted of increasing value. At the same time, through the rise and growth of cities in the immediate vicinity, the students of the Seminary have special opportunities for studying various conditions of church work, and different methods of preaching. Andover is within four miles of Lawrence, ten of Lowell and Haverhill, fifteen of Salem, and twenty of Cambridge and Boston. The situation is remarkably healthful.

For information respecting conditions of Membership, Studies, Lectureships, Honorary Scholarships, Pastoral Scholarships for Evangelistic work (Juniors), the Winkley and Seminary Fellowships (\$600 each), Expenses and Pecuniary Aid, see Catalogue, which may be obtained by application to the President of the Faculty.

ENGLISH BIBLICAL COURSE. — This course has recently been established as an elective, for those who prefer a theological education on the basis of the English language. Its instruction is intended to be as scientific and scholarly as that of the other departments. Special attention is given to the English Bible. This course is in part distinct from the Classical Course during Junior year, but in Middle and Senior years the two divisions of the class are essentially united.

PREACHING. — As it is believed to be conducive to the best professional training to combine practice with theory, and as special facilities are afforded in the comparatively destitute missionary fields in the immediate neighborhood of the Seminary, students are allowed to exercise their gifts in holding meetings and in preaching as opportunities may offer, under the express approbation of the Faculty, it being provided that the prescribed exercises of the Seminary are not neglected. This privilege is enlarged after licensure at the close of the Middle Year.

POST-GRADUATE SCHOLARSHIPS. — Three scholarships have been recently established for graduates of this Seminary. Two are in Bowdoin College, and are for the purpose of aiding students who, after graduating from the Seminary, desire to take a post-graduate year in the College. The third is for the benefit of any student who wishes to take a fourth year of study in the Seminary.

EXPENSES. — There is no charge for tuition, rooms, furniture, library, or any privilege of the Seminary. The dormitory has been thoroughly repaired and refitted. The rooms are carpeted and furnished. The income of the Washburn fund and some other funds, given expressly to aid members of the Seminary, will be distributed to those who need.

LIBRARY. — The Seminary has an excellent library, numbering nineteen thousand volumes, specially selected to meet the wants of the students. There is a permanent library fund, with the income of which constant additions are made of the latest and most valuable literature.

Anniversary occurs on Wednesday, May 15, 1895.

The next seminary year will open on Wednesday, Sept. 4, 1895.

THE COURSE OF STUDY is as follows:—

First Year.—Theological Encyclopædia, Elements of Hebrew, the Gospels in Greek, Apologetics, Homiletics, Church History, Sociology, Physical and Vocal Culture, Elocution, and Biblical Theology.

Second Year.—Hebrew (Messianic Prophecy), the Epistles in Greek, Church History, Sociology, History of Doctrine, Biblical Theology, Homiletics, and Elocution.

Third Year.—Systematic Theology, Christian Ethics, Apologetics, Comparative Religion, the Epistles in Greek, Homiletics, Pastoral Theology, Liturgics, Elocution, and the Delivery of Sermons.

TERMS OF ADMISSION.—The Seminary is open to students of every Christian denomination. Applicants should present certificates of membership in some church, and evidences of such literary and scientific attainments, and of such character, as make it probable that they can worthily pursue their studies. The normal preparation for the Classical Course is a full collegiate education. Those who have not college diplomas should furnish testimony that they have attained equivalent culture and discipline. This would involve knowledge at the least of the Greek language, of Psychology, English Literature and Composition, History and some branch of the Physical Sciences. Such applicants as have not received the normal preparation are received on probation.

There are special courses intended for those who have not had thorough preparation for theological study, or who wish to supplement previous studies, or to pursue particular topics of investigation, or who would fit themselves for Sunday School, Young Men's and Young Women's Christian Association, or missionary service, at home or abroad. The instruction in the English Bible provides the basis for these courses by a thorough biblical training.

All the courses of study are open to women as well as to men.

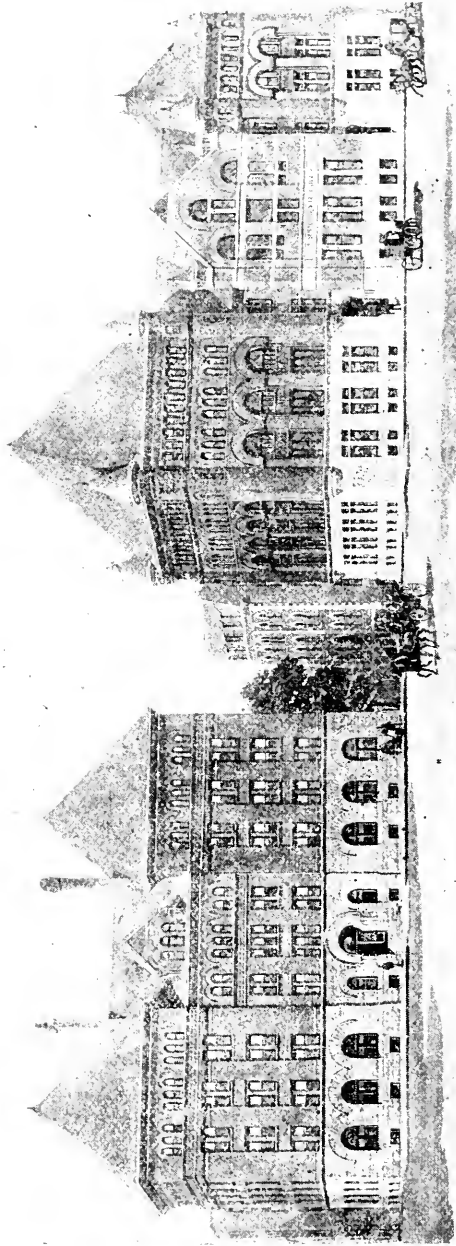

EXPENSES AND PECUNIARY AID.—No charge is made for tuition, rent of rooms, or use of furniture or of library. The student furnishes his own fuel and light. For incidental expenses every student is expected to pay \$5 each semester in advance, and those occupying rooms in the building twenty-five cents each per week for care of rooms. Board may be had in the Students' Club at about \$2 a week.

Help is granted from scholarships and from the American Education Society, as may be necessary, up to the ordinary limit of \$175. Systematic arrangements have been made, in connection with the Church Extension Society of San Francisco and vicinity, by which students may be employed in church and city missionary work, and so receive a part or the whole of the Seminary pecuniary aid as a compensation for present service, as well as in preparation for the future. Such work is under the direct personal supervision of the President.

FACILITIES.—A carefully selected and constantly increasing library (now numbering about seven thousand volumes) is accessible to all students. No happier situation is known than that occupied by this Seminary. The climate is unequalled for stimulating qualities, for mildness, and for general fineness. It is favorable to study every month in the year. The location of the institution in the midst of the great metropolitan complex of San Francisco and its surrounding cities, its proximity to the University of California, its high standards, its organic association with the aggressive work of the Congregational churches of the vicinity and of the State, its affiliation with the Congregational ecclesiastical organizations of all the Pacific States, its missionary history, and the emphasis it lays upon the spiritual and practical, constitute its especial claims upon the attention of candidates for the ministry.

THE NEXT YEAR BEGINS Sept. 3, 1895. Address the President.

TERMS AND VACATIONS.—The academic year begins the second Wednesday in September and closes the third Wednesday in April. There is a recess of two weeks at Christmas.

SITUATION.—The Seminary Buildings front Union Park. The location is quiet, but the centre of the city may be reached in ten minutes.

COURSE OF STUDY.—The Course of Study covers three years; the lectures are prescribed and elective. Each student is required to take fourteen lecture hours a week, ten prescribed and four elective. The Diploma Course differs from the Degree Course only in putting study of the English Bible in place of that of the Hebrew and Greek Scriptures.

THE GERMAN AND THE SCANDINAVIAN DEPARTMENTS.—Students in these departments take part of the Degree or Diploma Course in the English language, according to their grade of preparation, that they may be able to preach also in English. They are, however, excused from some English studies, principally of a homiletical or practical kind, in place of which they attend such exercises in their own native languages as are best adapted to prepare them to minister to our German or Scandinavian fellow-citizens.

EXAMINATIONS.—In each year there are two public examinations, oral and written, of all the classes.

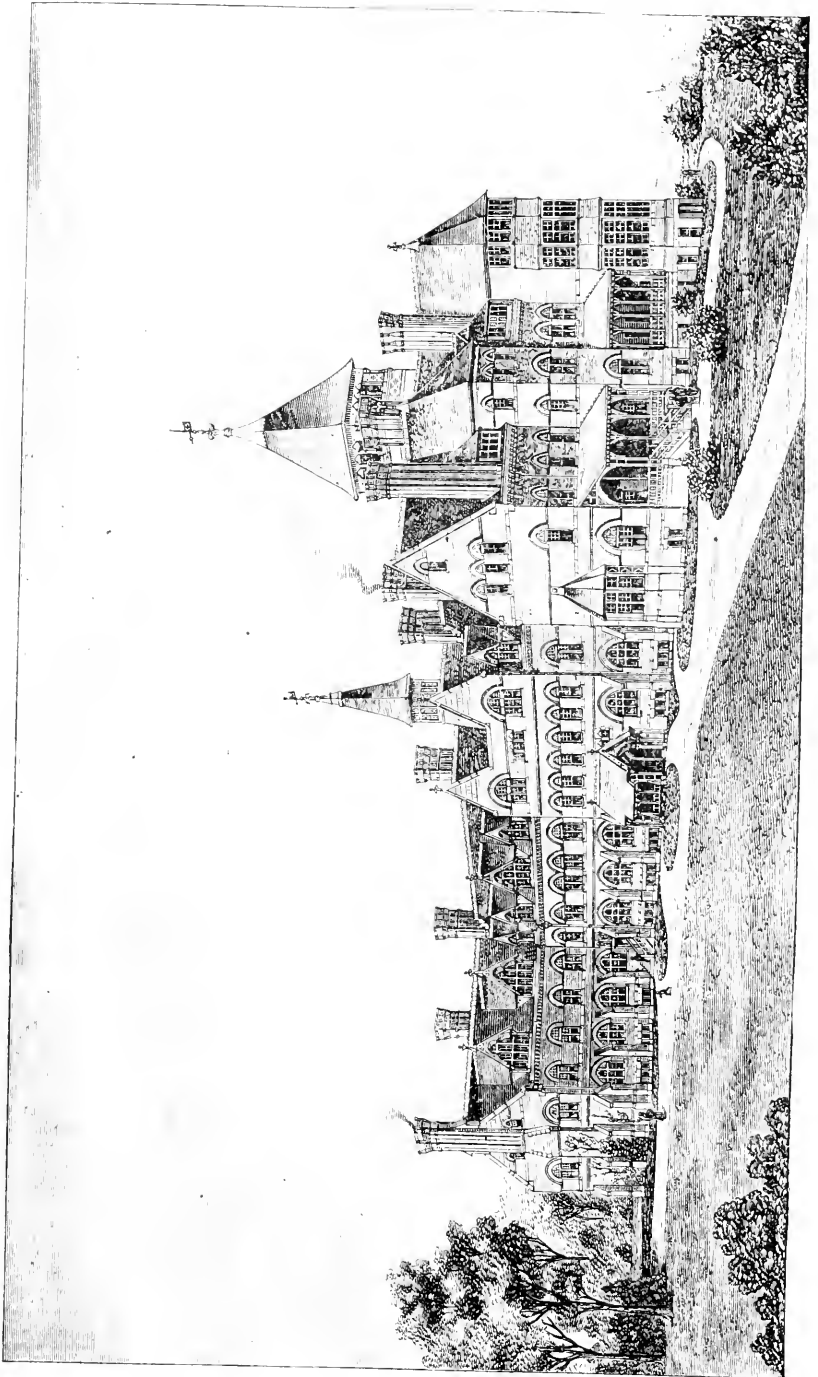

The Alumni Institute is held in the anniversary week in April.

HAMMOND LIBRARY.—This contains the GENERAL and the REFERENCE LIBRARY with over 14,000 volumes, and the READING-ROOM. Both of the latter are furnished with the best helps for students, and are open daily. The students have easy access, also, to the public libraries of Chicago, some of which are among the best endowed and equipped in the country.

EXPENSES.—No charges are made for instruction, or for the use of Hammond Library. Furnished rooms are assigned to new students, by the treasurer, in the order of application. The following charges are made for the occupancy of rooms in the Seminary buildings: \$1.00 a week for rooms occupied by two students; \$1.25 for rooms alone. Good board can be had in private families in the neighborhood of the Seminary for \$2.50 or \$3.00 a week.

FINANCIAL AID.—From the American Education Society, to men in the Degree Course, \$75 a year. Additional aid will be furnished to students needing it, and fitted for such service, in return for service in city mission work. This supplemental aid is \$4.00 a week for twenty-five weeks. The aid to students in the Foreign Departments of the first year is given only in the second term to those who pass the Christmas examination.

For further information, apply to Prof. H. M. Scott, 520 W. Adams Street, or Mr. H. W. Chester, 81 Ashland Boulevard, Chicago, Ill.

COURSE OF STUDY.—The plan of instruction aims (1) to establish sound methods of investigating the Scriptures, (2) to train the power of formulating Scriptural truth, and (3) to apply that truth in the study of history and experience, of philosophy, and of practical endeavor,—God's thought being recognized as the supreme object of all science, and His will the supreme guide of conduct.

INSTRUCTION is carried on partly through text-books, partly by lectures, and partly through original investigation by the student. Emphasis is laid upon a close personal relation between instructor and pupil. About two thirds of the course are prescribed, and one third is to be selected from a list of about sixty electives, offered in all the departments. Special efforts are made to explain the interrelations of the numerous subjects properly belonging under the head of theological science, and to afford the opportunity of prosecuting study in any one of them. In each department the purpose is to use only the most scientific methods, both old and new. In the field of pastoral discipline extensive work is expected in preaching, in every variety of evangelistic and charitable organization, and in personal religious effort. Systematic instruction is given in singing and in elocution. Optional instruction is provided in German. Special and advanced courses are open to those who desire them. Two fellowships (each for two years) for foreign study and six prizes are offered.

THE APPARATUS includes a rapidly increasing library of over 60,000 volumes, containing several unique special collections, to which students have access day and evening, large reading-room, gymnasium, music-room, etc.

TERMS OF ADMISSION.—Candidates for admission must be members of some Christian Church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term.

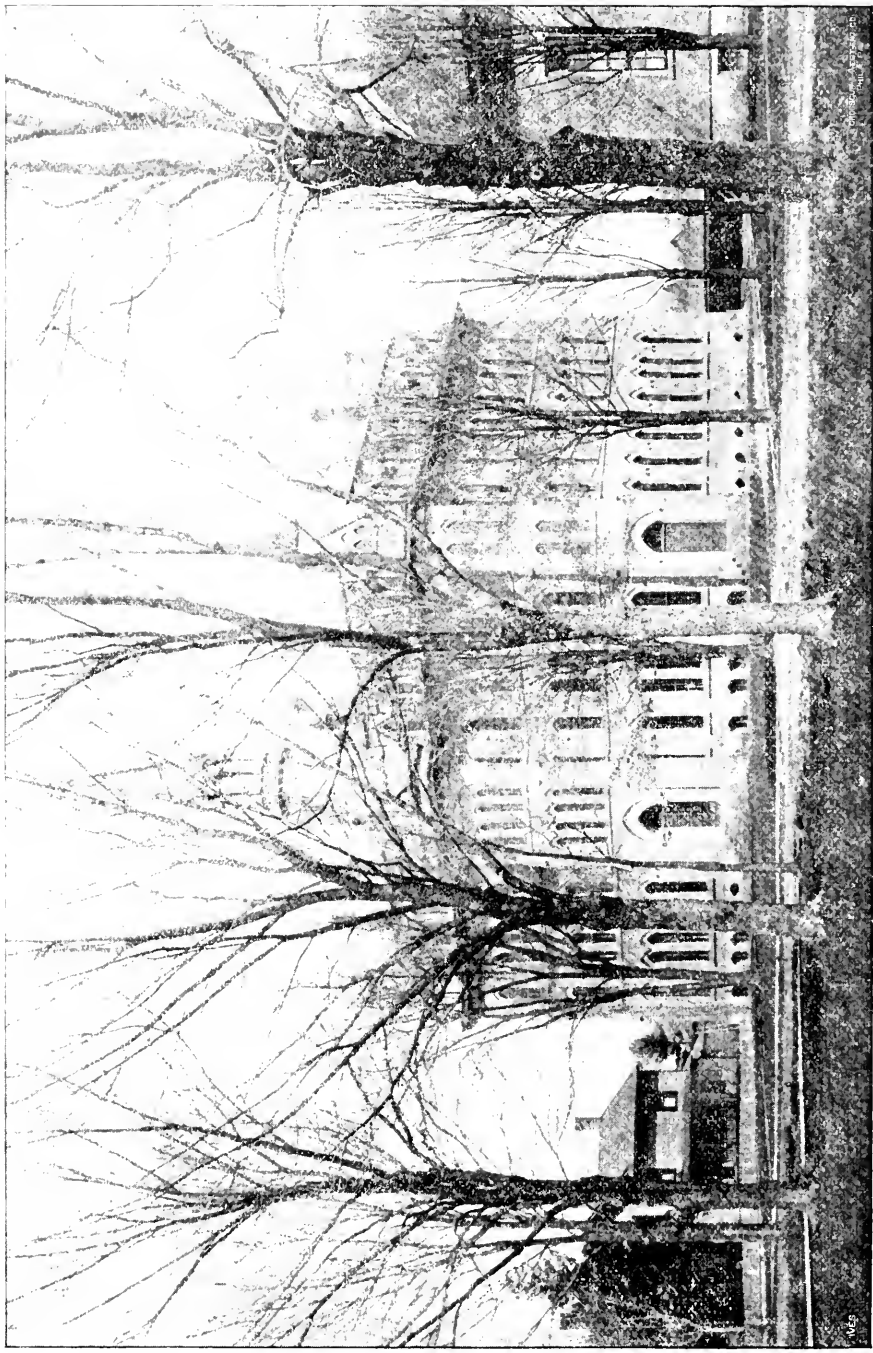

All courses are open to *women* on the same terms as to men.

EXPENSES.—No charge is made for tuition, rooms, furniture and bedding, or use of the library and apparatus, except a nominal fee of \$20 for use of steam and supervision. Board is provided at the Seminary under the care of the Students' Association, at \$3.50 per week.

Scholarship aid is provided for those needing it to the amount of \$60 to \$90 per year, in addition to the grant of \$75 from the Education Society.

CALENDAR.—The sixty-second year begins on Oct. 2, 1895, and closes on June 4, 1896. The various courses are arranged in three terms. Examinations are held at the close of each subject or principal topic.

The Seminary is open to students of all denominations. It has a full corps of Professors of its own and offers its students all the work essential to a theological training. In addition students are admitted to the College classes without charge, and some of the advanced College electives are allowed to count as Seminary electives. Upon those who complete the Classical Course, the Academic Degree of Bachelor of Divinity (D. B.) is conferred.

CLASSICAL COURSE. — The minimum requirement for all candidates for a degree is 1,280 hours of lectures and recitations. The most essential courses of each department are required; this work amounts to 680 hours. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction and Biblical Theology. In addition to the required work, a large number of elective courses are offered, aggregating 1,622 hours, from which each student elects at least 600 hours. These courses cover a large range of more advanced work in the several departments.

ENGLISH COURSE. — This is to train for the ministry mature men who give promise of usefulness but who have not had a classical education. The course extends through three years; it includes over 400 hours Exegesis of the English Bible; Church History; the full course in Systematic Theology, preceded by Psychology, Logic, Moral Science, and Christian Evidences; Homiletics with preparatory work in Rhetoric and Elocution; Practical Theology.

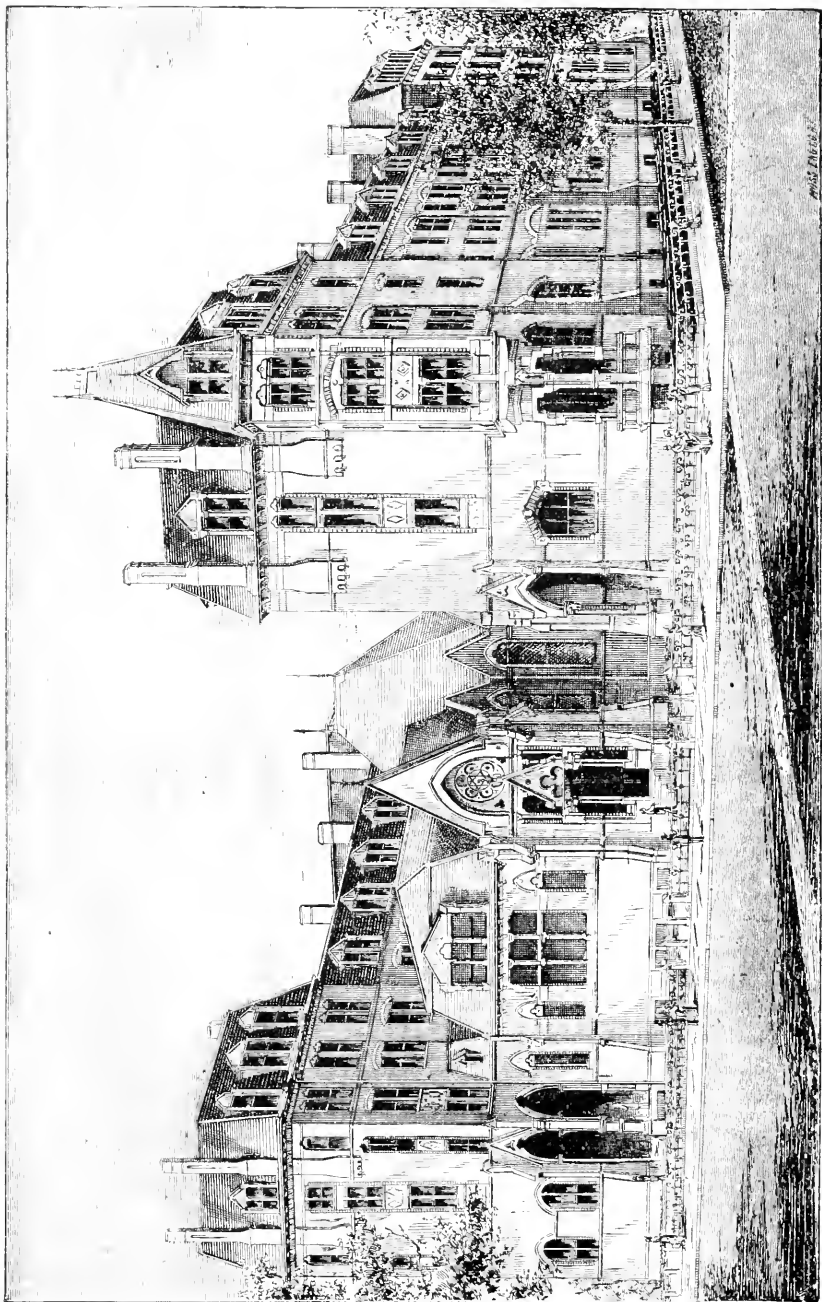

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular English or Classical Course.

SPEAR LIBRARY contains about forty thousand volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms for fifty students. Those rooming here pay an incidental fee of \$30 a year. Other students pay a fee of \$5. Aside from this fee there is no charge made by the Seminary. The price of board in Oberlin is from \$2.00 to \$2.50 a week. Other expenses are correspondingly low.

Pecuniary aid is granted to those who need it, from the Congregational Education Society, and from Seminary scholarship funds. The amount ordinarily received from each is \$75. There is abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 18, 1895. For further information address Prof. E. I. Bosworth.

RELATION TO THE UNIVERSITY. — The Divinity School is one of the Departments of Yale University. Its members receive from the Corporation, on completing their three-years course of study, the degree of B. D. They have access to the public collections of the University, such as the Library, the Peabody Museum, and the collection of paintings and statuary in the School of Fine Arts. They are permitted to attend free of expense, so far as will not conflict with their professional studies, the lectures and recitations in the College and the Sheffield Scientific School, and, if expecting to become foreign missionaries, those of the Medical Department.

COURSE OF STUDY. — The first year is devoted chiefly to Hebrew and the Exegesis of the Greek New Testament; the second year to Systematic Theology, Church History, Old Testament Biblical Theology, and Church Polity; the third year to Sacred Rhetoric, the History of Christian Doctrine, New Testament Biblical Theology, and Social Ethics. Additional lectures on Preaching and other important subjects are delivered before all the classes by eminent ministers and scholars from this country and Europe. There are also optional classes in German, Syriac, Chaldee, Arabic, and Assyrian. Once a week there is a Rhetorical Exercise for all the classes. Instruction in Vocal Culture and Elocution, and also in Sacred Music, if desired, is continued through the entire course.

GRADUATE OR FOURTH-YEAR CLASS. — Students of approved scholarship who have completed a three-years course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in Theology are pursued under the direction of the Professors. Five scholarships of \$200 each are offered to candidates for admission to this class.

THE LIBRARIES of the University, to which students have access, including the Reference Library of the Divinity School, contain more than 200,000 volumes.

THE GRADUATE FELLOWSHIP, for the encouragement of further theological study in this country or abroad, the income of which is \$500 for one year after graduation, is offered to the class entering in September, 1895.

EXPENSES. — There is no charge for instruction, use of libraries, or room rent. The rooms, which will accommodate one hundred and fifty students, are designed in general for only one occupant. Each room has a bedroom attached, and is carpeted and furnished with all needful furniture except bed clothing. The chief expenses of the session are for board, \$3.00 to \$4.00 a week; fuel and light, \$25 to \$30; and \$15 a year for care of room and incidental expenses.

SCHOLARSHIP FUNDS AND OTHER AIDS. — Students whose circumstances require it are aided to the amount of \$100 a year, from the income of scholarship funds. Besides this assistance, ten special scholarships of \$50 each are assigned to those members of the Junior Class who maintain the highest standing in studies of the year. Additional aid to the amount of \$75 is offered by the American Education Society to approved students who are members of Congregational churches.

COMMENCEMENT OF THE TERM. — The next term of study will begin on Thursday, Sept. 26, 1895, and continue until the third Wednesday in May (anniversary), when the vacation of four months, in which the students have the opportunity to engage in some form of remunerative labor, will commence.

APPLICATION FOR ADMISSION. — The Seminary is open on equal terms to students of all Christian denominations. Applications for admission, or for the annual Catalogue containing further information, may be made to Prof. GEORGE B. STEVENS, *New Haven, Conn.*, or to any other member of the Faculty.

a These special students at Chicago are ranked, 15 with the Senior, 13 with the Middle, and 13 with the Junior classes; 3 in the German, 8 in the Dano-Norwegian, and 31 in the Swedish departments.

b Of the 25 special students at Oberlin, 17 are in the English Course, and 8 in the Slavic Department.

NOTE.—If the Advanced or Graduate classes were included among the students as well as the undergraduates, the totals would be increased to 475.

COLLEGE EDUCATION OF THE UNDERGRADUATE STUDENTS.

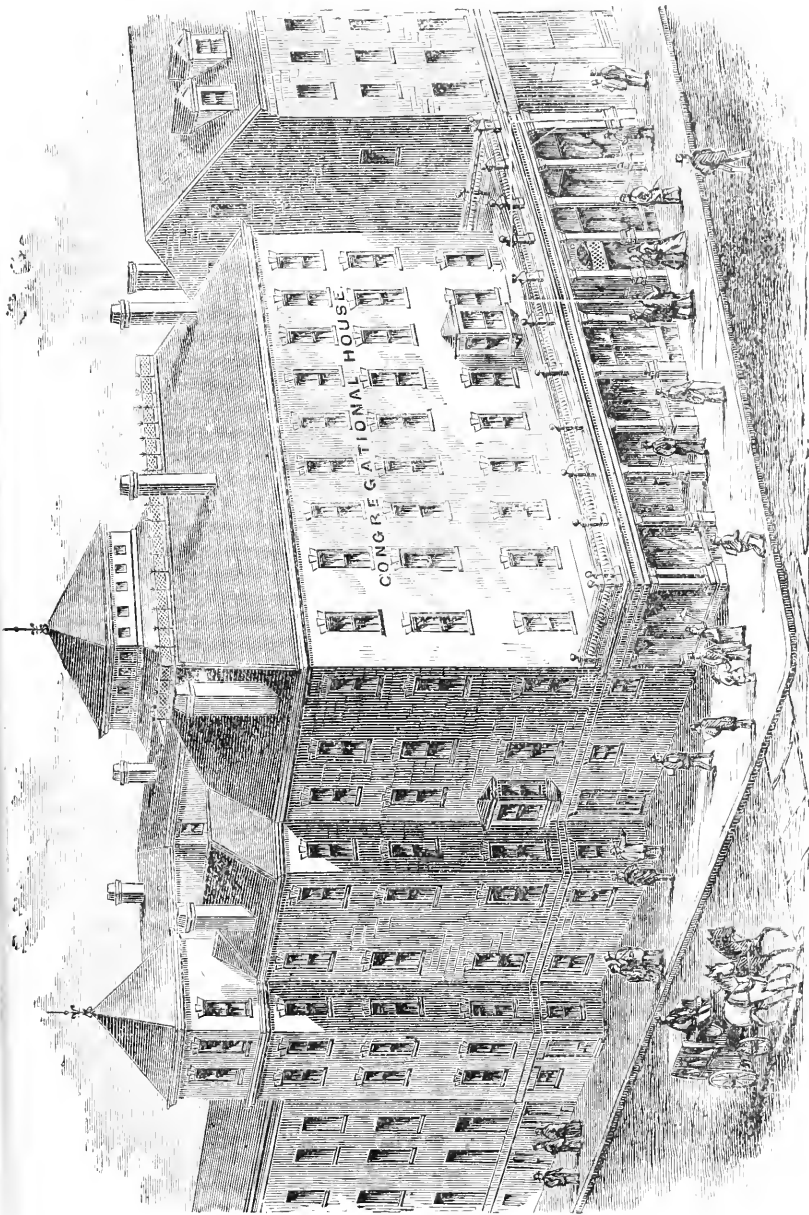

IN this table, a number in parentheses denotes that that number, although once connected with the college mentioned, did not complete the course. The figures not in parentheses denote graduates of the college mentioned.

THE ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1895 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date 1 Jan., 1895, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:—

1. The statistics of the churches and their ministers, by States.
2. Fifth Year Statistics.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1895-6.
5. General summary tables for the year.
6. Tables of summaries, 1858-1894.
7. Remarks upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make each State list to conform strictly to the *State boundaries*. Churches or ministers reported by some association of a State other than their own are, therefore, transferred to their proper places; and the summaries are correspondingly corrected.

3. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations are specifically mentioned with the State summary, so that each church can be traced from year to year.

4. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

5. The prime name in a table line is always supposed to be the name of the *place*, town, or city in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced type**. In such cases the latter is the post-office, and **THIS EMPHATIC TYPE IN LINE OR MARGIN, IS USED EXCLUSIVELY FOR NAMES OF**

POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton West"; if itself a name, it supersedes the other, as "Newton, Auburndale." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1st; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked *p.*; others in service are not marked, but in tabular summaries are counted as "supplies." Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* a postal guide to the addresses of ministers, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-office.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person designated is found in the original State alphabetical list, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so last year and may be presumed to be *in transitu*, but is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such, or by ministers of other denominations, are reckoned as vacant; but the number of such churches is given in each State summary. No ministers of other denominations (if so known) are inserted in the General Alphabetical List. Some ministers belong to the two denominations at once.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report" but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the *Vital Statistics*, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1894, are retained, and are indexed to the pages of the "*Vital Statistics*" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names differing only in a single letter and pronounced alike are treated as one name, but spelled according to report. Browne, Clarke, Curtiss, Griffith, etc., and names beginning with Mac. or Mc. are among this number. Names beginning with Mc. or St. are arranged as if the word was not abbreviated.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons employed in instruction in schools and colleges are indicated by *pr.*, president or principal, and *pf.*, professor.

LIST OF LICENTIATES REPORTED.

This list contains the names of those apparently reported as under care, with references also to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person may reside elsewhere.

PLYMOUTH CONGREGATIONAL CHURCH, OSHKOSH, WIS.

WARREN H. HAYES, *Architect*, Minneapolis, Minn.

This building was dedicated as a house of worship on June 16, 1895.

It is 61 by 108 feet, extreme outside size over steps, of red pressed brick laid in dark red mortar, relieved with native, dressed sandstone, on a stone basement. The copings of gables and towers are galvanized iron, also the cornices, painted and sanded to harmonize with the stonework. The roof is of black slate.

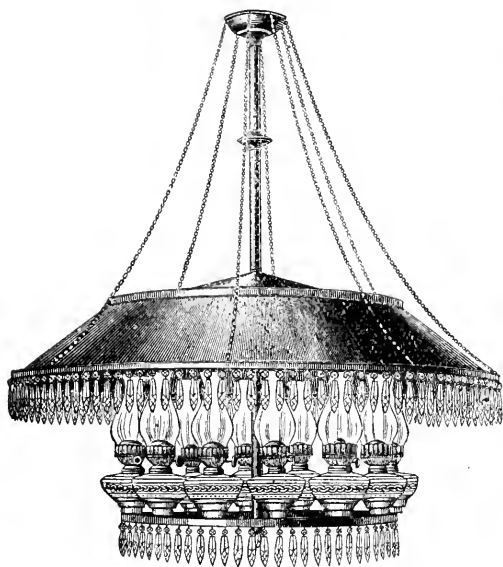

The plan was made to conform to a somewhat irregular lot, the site of the old building, and is more picturesque in outline than otherwise would be required.

The auditorium is an octagon, 50 feet each way, seating 340 in curved back pews; it opens into the Sunday school and infant rooms by automatic rolling partitions so fully that the additional 230 seats are as near the pulpit as those in the main room, and all but a few in the infant room in sight of it. The ceiling is domed; the walls not too high, giving excellent acoustics, without a gallery, all seats being on the main floor.

The basement story is finished for kitchen, cloak and supper rooms, pantry, heaters, etc., and is well lighted. The finish of main story is oak and natural pine. Adjoining the Sunday-school rooms is the study of the pastor, Rev. W. L. Demorest, fitted with mantel, open fireplace, and book-shelves for his large library.

The infant room is used through the week as a parlor, or reading-room for the young men of the church.

The cost of the building and furnishing was about \$15,000, exclusive of lot.

LONDON CLEAR TYPE EDITION.

“Clear Type makes easy Reading.”

The *Sunday School Times* of April 6, 1895, in a REVIEW of the “INTERNATIONAL” TEACHERS’ BIBLE, says:—

“This Teachers’ Manual, as the helps are called, is *deserving of high praise*. It is *up to date, well selected, full of life*. The arrangement is simple and clear; the *illustrations and maps are new and admirable*. Such names as those of the editor, the Rev. Dr. C. H. H. Wright, and of President William Rainey Harper, Theophilus G. Pinches, the Rev. Owen C. Whitehouse, the Rev. Drs. Philip Schaff, A. B. Davidson, T. K. Abbott, and other *eminent United States scholars and specialists*, are a *guarantee* for the *scholarly* character of the work. The names of Bishop John H. Vincent, the Rev. Drs. James Stalker, A. E. Dunning, and Jesse L. Hurlbut, indicate that *leaders in organized Christian work and teaching* have had a hand in the work. Such names as those of Major D. W. Whittle and the Rev. R. Murray McCheyne show that the *spiritual and evangelical* uses of the Bible have not been forgotten. . . .

“The portion of the Manual devoted especially to the New Testament is *decidedly better* than the similar portion in the ‘Aids’ appended to *other Teachers’ Bibles* up to the *present time*. The arrangement is improved; there are more *indications of real editing*. . . .

“In Part III. Dr. Plummer contributes the ‘Summary of Books for the New Testament.’ . . .

“This *monograph* may be regarded as one of the *best popular treatises on New Testament* introduction. . . .

“If faithfully used, it will do much to increase accurate knowledge of the Word of God.”

THE CHURCH HYMNARY

THE BEST HYMN BOOK

BY EDWIN A. BEDELL.

The number and character of the Churches in all sections of the country that have recently adopted it, and now commend it as the best, afford abundant assurance that in selecting the Hymnary you will make no mistake. The demand for the book during the past four months has been unprecedentedly large.

There are many good hymn books in the market, BUT ONLY ONE compact in form, beautiful in appearance, which contains over eight hundred separate tunes — more old ones and more new ones than any other collection — so arranged that with a very large proportion of the hymns a choice is given between one or more old familiar tunes and others of the modern English school. There is, therefore, no other book so well adapted to the varying needs and musical capacity of the churches.

Other churches are rapidly introducing it. Why should not yours get the best ?

A returnable copy of THE CHURCH HYMNARY, with Rev. Dr. Henry Van Dyke's Psalter, based on the Authorized Version, and Rev. Dr. T. Ralston Smith's Psalter, based on the Revised Version, will be sent *free* to clergymen and music committees for examination, with a view to introduction.

Among the large number of Cong'l Churches that have introduced the Hymnary within the past six months we may mention: The First Church, Waterbury, Conn., Rev. Joseph Anderson, D. D., Pastor; Cong'l Church, Evanston, Ill., Rev. J. F. Loba, D. D., Pastor; First Church, Portland, Ore., Rev. G. R. Wallace, D. D., Pastor; Park Church, Norwich, Conn., Rev. S. H. Howe, Pastor; Cong'l Church, Gloversville, N. Y., Rev. W. E. Park, D. D., Pastor; Second Church, Waterbury, Conn., Rev. J. G. Davenport, D. D., Pastor; North Church, Springfield, Mass.; Mayflower Church, Indianapolis, Ind.

A 32-page pamphlet, containing specimen pages, testimonials, price-list, etc., will be sent free to any address.

"His Commentaries on the Minor Prophets and on Isaiah are probably the best specimens of exegetical talent and learning which have ever appeared in England. . . . HISTORY OF BILLERICA

WITH A GENEALOGICAL REGISTER.

All families bearing the names Farmer, Jefts, Kidder, Kittredge, Pollard, Shed, and Toothaker, whose lines in this country go back to 1700, will find their American progenitor in Billerica. Extensive branches were also here of the families of Crosby, Danforth, Farley, French, Frost, Hill, Manning, Parker, Patten, Richardson, Rogers, Sterns, and Whiting. Others, less numerous, but important and significant, are traced of more than sixty families.

To the sons and daughters of Billerica, scattered through the land, and to the large and increasing number who are interested in our local history and genealogy, this volume is confidently commended as worthy of their attention and patronage. It is a handsome octavo of 520 pages, and sold in cloth binding or in sheets, at the low price of \$4.00 and cost of delivery (*by mail 25 cents*).

As the edition is limited, all who wish to secure it at this price will do well to send orders early to

HENRY A. HAZEN, Congregational House, Boston.

ALSO, BY THE SAME AUTHOR,

THE MINISTRY AND CHURCHES OF NEW HAMPSHIRE.

This work is a record of all the Congregational Churches in the State, giving dates of organization and memoranda of all the ministers of these churches in a unique and condensed form.

The price is reduced to \$1.00, including postage, and it may be ordered as above.

THE PASTORS OF NEW HAMPSHIRE,

A pamphlet supplementary to this work, gives the dates, in chronological order, of ordination and dismission of all these pastors, numbered so as to show at any date how many were in actual service. A few remaining copies will be sent for 50 cents each. Order as above.

OBERLIN COLLEGE.

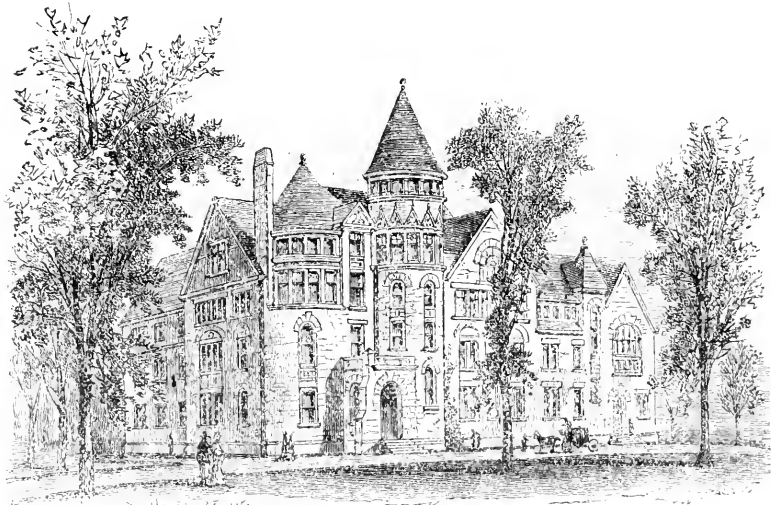

Department of Theology.—Instruction is given by the President and eight Professors and by eminent special lecturers appointed from year to year. Students have commodious, furnished rooms in COUNCIL HALL, which is devoted exclusively to the uses of this department. They have free access to all the classes, libraries, and cabinets of the other departments. Four months during the summer can be spent in home-missionary or other labor, with compensation, without interference with studies. During the last half of the course, the students have frequent opportunities to supply the neighboring churches. Students who need pecuniary assistance receive the usual aid from the American Education Society, and such appropriations from special funds under the control of the seminary as enable them, with reasonable economy, to pursue their course without embarrassment. The degree of D. B. given to graduates. Extended Elective Courses. English Course of three years for men lacking college training.

Department of Literature and Science.—Twenty-two Professors, besides Instructors and Tutors, give instruction in this department. There are three regular courses—*Classical* (for degree of A. B.); *Philosophical* (for degree of Ph. B.); *Scientific* (for degree of S. B.); all requiring the same amount of preparation. One half of the work in the Classical and Philosophical courses is elective. More than one hundred and fifty elective courses are offered in nineteen departments of work. There has been, recently, a large extension of the work in Philosophy and in Mathematics and Science. The large number of elective courses gives special opportunities for graduate study.

Oberlin Academy.—Comprises Classical School, which prepares students for the best colleges, and an English School, which offers the advantages of a first-class Academy to those who can spend but little time at school. Instruction is given by the Principal of this department, and fifteen regularly appointed teachers.

Expenses in all departments for tuition, incidentals, and board are low. (1,397 students last year—a majority from outside of Ohio.) Students who do not wish to take a full course can select such studies in any department as they are prepared to pursue to advantage. Both sexes admitted. Location healthful, and religious influences the best. No drinking saloons in town. In all departments fall term begins Sept. 24, 1895; winter term begins Jan. 7, 1896; spring term begins April 8, 1896. Circulars, with full information, sent free by

JAMES R. SEVERANCE, *Secretary*, Oberlin, Ohio.

Warner Hall.

OBERLIN CONSERVATORY OF MUSIC.

The attention of music students is invited to the unequalled combination of advantages to be found at this Conservatory. (1) It is carried on in a pre-eminently religious atmosphere. Its teachers are all Christian men and women, who believe that the highest attainments in music should not be gained, as they too often are, with a lapse from good habits or the loss of Christian faith. (2) Its instruction is of the most thorough sort. It aims to give that genuine culture in music which is much more than the mere ability to sing a song or thrum an instrument. (3) Its charges are very low. The entire expenses for a music student for a college year need not exceed \$300 to \$350, and with careful economy may be brought still lower. (4) Those who wish to give only a part of their time to music are able to pursue special studies under the best of teachers, in any of the other departments of Oberlin College.

Six hundred and seventy-nine students were in attendance at this Conservatory last year, and it has more applications every year for teachers, organists, etc., than it can fill from its graduates. For catalogue and fuller particulars, address PROF. F. B. RICE, *Director*, Oberlin, Ohio.
